

Dereham Road/Sweet Briar Road roundabout resurfacing: access and closure points

Transport
for Norwich

Access and closure points - Monday 28 May to Friday 1 June 2018

1. Sweet Briar Road/Hellesdon Hall Road junction. No access to Sweet Briar Road, except for Briar Chemicals traffic.
2. Hellesdon Road/Dereham Road junction. No access, except for residents via Dereham Road only.
3. Waterworks Road/Dereham Road junction. No access to Dereham Road beyond the junction, except for residents.
4. Winchcomb Road/Guardian Road junction. No access to Guardian Road, except for residents.
5. Larkman Lane/Dereham Road junction. City-bound traffic diverted via Larkman Lane, north-bound traffic diverted via Marl Pit Lane.
6. Bowthorpe Road/Guardian Road junction. No access to Guardian Road, except for residents and businesses. City-bound traffic diverted down Bowthorpe Road, all other traffic diverted back to Earham Road.
7. Hotblack Road/Dereham Road junction. Complete closure at junction on Hotblack Road – no access to Dereham Road.
8. Dereham Road/Bowthorpe Road junction. Through traffic diverted via Bowthorpe Road. Access for residents and Waterworks Road only, no access to Winchcomb Road.
9. Hellesdon bridge – access maintained through two-way, manned traffic signals.
10. Bowthorpe roundabout. No access to city centre or outer ring road, follow diversion via B1108 (Watton Road).
